Developer Student Clubs
VIT Bhopal University

ABOUT DSC

Developer Student Clubs (DSCs) are university-based community groups for students interested in Google developer technologies. Students from all undergraduate or graduate programs with an interest in growing as a developer are welcome.

By joining a DSC, students grow their knowledge in a peer-to-peer learning environment and build solutions for local businesses and their community.

Our Vision is to help impact students to bridge the gap between theory and practice and leave a legacy of impact.

DSC has been one of the most active clubs at VIT Bhopal University formed during the academic year 2020-21.

With over 1000 members registered on our community website, we have 900+ followers with an exponential growth rate and overwhelming response on our stories, we keep our followers engaged. Moreover, we have around 500+ subscribers on youtube for our events, increasing regularly.

ABOUT HACKDSC2021

After a year filled with events, our concluding event would be "HackDSC2021" on 24-25th of April 2021.

The theme is "Innovation", and the problem statement being - Targeting local problems and solving them through technology.

It will be open to all the students of our university, as well as others, encouraging healthy competition and giving students an insight as to where they stand.

HackDSC will see the participation of all the University students and aims to provide the necessary exposure in the technical domain.

The Hackathon will be free of cost.
